# Office Space Supply Surge in Delhi

**an Halder**  
Delhi's office market is an unprecedented over the next few years, completing a 3.2-million sq ft Trade Centre in South Delhi, GMR, and Prestige an 10 million sq ft in Aerocity commercial the international airport. The fresh invento-

rations. Meanwhile, HDFC Bank, PFRDA, and the National Internet Exchange of India (NIXI) have acquired space at South Delhi's Nauroji Nagar from state-run NBCC (India) Ltd.

Prestige Group's Prestige Trade Tower near the Delhi airport marks its first commercial project in the city. The group entered into a joint venture with DB Realty in 2019 to develop a hospitality-led mixed-use project spanning 7.7 acres in Aerocity. The group plans to develop a 2 million sq ft project with 932 hotel rooms, 645,000 sq ft of office space and a 200,000 sq ft convention centre. Bharti Realty has begun developing around 6.5 million sq ft of office space with an investment of over Rs 6,595 crore to create a global business hub.

**The national capital has seen minimal office space additions over the past decade, prompting many corporates to relocate to Gurugram or Noida**

About 3 million sq ft of this will be dedicated to retail, including one of the largest malls in the region. In subsequent phases, an additional 10 million sq ft will be developed, with around 2 million sq ft earmarked for retail. In the initial phase, Bharti Realty successfully built Worldmark 1, 2, and 3, covering about 1.5 million sq ft. The project was later acquired by Canada's Brookfield Asset Management.

## ONGC Plugs Minor Oil Leak in Mumbai

Press Trust of India

**New Delhi:** A minor oil leak happened on a pipeline in offshore Mumbai on Monday morning, which was promptly arrested, state-owned ONGC said. "On the morning of September 16, 2024, at around 0600 hrs, ONGC team of Uran Plant (in Mumbai) swung into action to arrest a minor leak in the flow line originating from offshore. The leak was arrested, and the team ensured no spillage of oil into the beach," the firm said in a statement.

ONGC said it has robust safety infrastructure and adheres to laid down HSE guidelines.

"It has trained manpower to address such incidents promptly."

"ONGC is deeply committed to the safety of people and the environment," the firm said.
